Important information for your appointment at PSZ Mittelhessen

We are glad that we can now offer personal consultation in the PSZ Mittelhessen again. To prevent the corona virus from infecting even more people and to protect every person involved, some protective measures for your appointment must be observed.

Before the appointment

- Please cancel your appointment if you feel ill or have symptoms of a cold (sore throat, running nose, coughing) or fever. You will get a new appointment when you are healthy again.
- Please come to your appointment at the time that has been given to you. Our waiting room is currently closed, so you cannot wait for your appointment in the PSZ.
- If possible, please come to your appointment unaccompanied, as the waiting room is closed.
- Please bring a mask with you. The mask must be worn during your entire stay in the PSZ, without a mask we unfortunately cannot allow you in.
- Please disinfect your hands as soon as you enter the PSZ.

During the appointment

- Your appointment will take 45 minutes.
- The room is set up so that a safety distance can be maintained. Please follow the instructions that we will be giving you.
- The room is ventilated during the entire time.
- For hygienic reasons we are unfortunately unable to offer you water to drink.
- You must wear your mask during the consultation as well.

After the appointment

- Please disinfect your hands again and leave the PSZ without delay so that there will be no overlap with the next client.
